

Building Trade

The days of the old wooden shelf are over!

If you still have carpenters putting in wooden shelving you are likely to be wasting 2 days construction time and spending more on shelving than you need to.

Large or small builder, your time is better spent than installing or organizing all that fiddly and outdated shelving work.

Wardrobe World Bayside are the Shelving Specialists and can save up to 20% on shelving costs as well as free up your time, carpenters and supervisors alike.

Flexible Installation

As a builder, installation can be either:

Standard System - Usually a single shelf in wardrobes allowing clients to upgrade later on.

Full System - Includes the full system at the start to really impress your customer.

The Hassle Free System

Fixed price with no over ordering or off cuts like timber.

Tolerant of out of square walls, no fillers needed.

Full product warranty of 25 years.

A supervisors dream .. easily ordered, no recalls.

Upgrades a breeze .. your local dealer can provide a full design and upgrade service, dealing direct with the client if you wish.

Prompt Service

Wardrobe World Bayside carries stock providing for prompt service. We generally provide 3 days installation from the date of ordering.

Proven Track Record

This system is installed in over 400,000 homes yearly in the United States, and is the proven leader. We have been successfully providing Australia for the last ten years. Give us a call and we'll be happy to provide you with a quote.
